**BLACKHAWK
GOLF CLUB**

Benefiting: Marrow Donor Program of Central & South Texas

Our Mission:

SERTOMA, a curious word until three very important words come together in unison: **SER**vice **TO** **MA**nkind. SERTOMA's primary service project is assisting the more than 50 million people with speech, hearing and language disorders. SERTOMA also sponsors community projects to promote freedom and democracy, youth causes and a variety of other local community needs, as identified by the individual clubs.

Driving for Donors, Hope and Miracles!

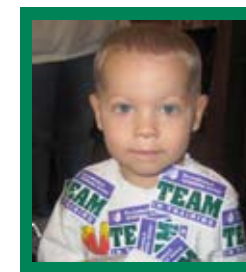

Juliana Center

Juliana - A Match Found
Through the kindness of an NMDP donor, at five months old, Juliana received her lifesaving transplant on Aug. 16, 2007. She is now 22 months old and is a spunky, funny and beautiful child. Physically, emotionally and medically, she is doing wonderfully. Her family is very happy and grateful Juliana found her match.

Leukemia Patient

Gavin, age 5, was diagnosed with high risk acute lymphoblastic leukemia (ALL) and stage 2 CNS in March 2005. He completed treatment in May 2008 but was then diagnosed with lymphoproliferative disease (LPD) in July. He loves french fries, t-ball, swimming and playing with his sister, Amanda. Gavin's birthday is also Oct. 2.

Gavin Quinn

Your help is needed!

The National Marrow Donor Program's (NMDP) mission is to establish a system which provides transplants of stem cells from unrelated donors for patients with leukemia and other life-threatening blood diseases. There is only a 30% chance of finding a match within the patient's family. Human leukocyte antigens (HLA) are inherited, much like skin, eyes, and hair color, and a match is most likely within the patient's own ethnic group.

Register

Register and pay by September 8 to receive:

- **FREE ROUND** of golf at Blackhawk Golf Course.
(Valid only Monday-Thursday)
- **FREE ONE MONTH MEMBERSHIP** to Blackhawk Golf Club.
 - **FREE AFTERNOON GREEN FEES** (1 month)
 - **FREE RANGE BALLS** (1 month)
 - **GOLF CLINICS**

Time Table

11:30 A.M.

Registration begins at 11:30 am. Box lunch aboard your cart.

1:00 P.M.

18 holes of scramble golf with shotgun start.

At tournament end:

Awards and prizes during dinner.

Appreciation Message

Since 1994, the Round Rock Noon SERTOMA Club has raised tissue-typing funds for hundreds of central Texas donors. Several donors have been identified as matched donors and have given the gift of life to patients in need of a life-saving bone marrow transplant.

Tissue typing funds raised are offered to local businesses and organizations hosting marrow registration drives.

We thank you for your support of this great cause that is so dear to our hearts!

15th Annual Bone Marrow Benefit Golf Tournament

Friday, October 2, 2009
Shotgun Start time: 1 pm
Blackhawk Golf Course

2714 Kelly Lane, Pflugerville, Texas 78660
(512) 251-9000

Proceeds will benefit:

Net proceeds will support human leukocyte antigen (HLA) typing and testing necessary for donor marrow or adult stem cells. Lab fees are currently \$52.00 per donor. Only 30% of all patients in need of a transplant actually find a matched donor within their families. Currently, more than 350 children and adults receive marrow or stem cell transplants each month. Each day approximately 6,000 patients search the registry for their miracle match.

Results:

Locally, more than 130,000 persons from the central and south Texas regions have been registered onto the National Registry. Since 1991, over 400 local donors have donated their marrow or adult stem cells to patients awaiting transplant. In 2007, 71-matched donations were successfully completed.

Honored Hosts:

Ron & Carolyn Hagood, BRATH Inc., Dr. Kent & Ellen Macaulay, Dr. Beverly & Steele Zinser, Founders, Bone Marrow Benefit Golf Tournament.

Contact us:

Kent Macaulay, DDS at 512-255-5126
Steele Zinser at 512-658-7777
